Hearthfire Bakeries – Bellingen & Sawtell, NSW

Where Craftsmanship Meets Community and Sustainability

An exceptional opportunity to acquire a respected artisan bakery brand with established outlets in Bellingen and Sawtell, two of the most tightly held hospitality pockets on the NSW North Coast.

Hearthfire is more than a bakery – it is a community fixture. Morning queues, handcrafted sourdough, small-batch pastries, and a loyal following that values authenticity and quality.

This is a rare chance to step straight into:

- Two operational retail outlets
- Established brand recognition
- Experienced team in place
- Immediate scale in a high-growth regional corridor

For an artisan operator, this represents a strategic bolt-on acquisition. For an ambitious baker, it offers instant market presence without the years of brand building typically required.

The North Coast continues to experience strong migration from metropolitan buyers seeking quality, lifestyle and authenticity – exactly what Hearthfire represents.
